"Untold Agony from Catarrh."

Prof. W. HACNER, the famous mesmerist, of Ithaca, N.Y., writes: Some ten years ago I suffered until agony from chronic nasal catarrh. My family physician told me to go to him, and he said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could hardly speak above a whisper. "In morning I could speak clear enough, but it would not last long. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

Thomas J. BREWSTER, Esq., 2202 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breath through the nose. I had tried every remedy known to man, but nothing had done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be included, postpaid to any address, on receipt of a two-cent postage stamp.
